

New Bremen Athletic Teams Mulch Sale

Saturday, May 13, 2017

Let the New Bremen Athletic Teams take care of your mulching duties this spring.

Cost for athletes to spread the mulch is \$25/scoop. This includes all handling, distribution around mulch beds and end clean up. All edging and preparation of mulch beds is the responsibility of the resident. The Work Day will be Saturday May 13th. The mulch will be delivered to your resident the day of service or 1-2 days before.

For those who wish to do the work themselves or have another date in mind, the athletic teams will still receive a % of the sale if order is placed through us. **In this case, the team will collect the money and place the order only. You will be responsible for getting the mulch to your house or contacting the Hardware Store or Gehret Nursery for delivery date.**

Note: To prevent any staining, we suggest placing a tarp or plastic down to protect the surface of the dump area.

THANK YOU FOR YOUR SUPPORT! New Bremen Athletes and Athletic Department
