

Algebra II eDay Lesson #1

Standard Objective: Students are to review core curriculum standards by using technology.

Steps to follow:

1. Students are to go to study island website at www.studyisland.com
2. Students need to sign in using their username and password
3. Students need to select my classes in grey left hand tool box
4. Students are to select Mr. Jones Algebra II class from top scroll box
5. Students are to select the Friday March 2nd Post Test option towards the bottom of the assignment list.
6. Students should select start studying.
7. Students should select 25 questions from the scroll down box.
8. Students should select printable worksheet
9. Students should select next.
10. Students should print off worksheet and answer the 25 questions with work being shown.

Students will have 2 weeks to complete the assignment from the day it was started, which would be the day school was missed.
