

The combined student bodies of New Bremen and Anna High Schools are invited to join together for a **#HelpingHouston** event at the Rockets vs. Cardinals varsity football game on September 15<sup>th</sup> at Booster Field in Anna.

Student sections from both schools can participate by dressing in red, white and blue or other appropriate patriotic attire for the game that evening. Students may want to add a cowboy hat, boots, or signs that support our fellow Americans in Texas during this difficult time of recovery from destruction associated with the recent hurricane.

Both New Bremen and Anna students and communities can also participate by collecting gently used or new t-shirts of all sizes to be donated to individuals in need living in the Houston area. Locations will be designated at each school for donating items through the week of September 10-15. Please consider helping with this effort, as we in this area are blessed with so much, yet our neighbors in Texas can benefit greatly by this simple gesture on our part.

# UNITED WE STAND

\*Please note that it is a possibility that a portion of these items may be shared with hurricane victims in Florida, as the relief effort in that area is organized. Thank you.
