

Student Wellness and Success Plan for FY 24 & 25

New Bremen Schools will focus of the following areas in cooperation with Auglaize County Board of DD, Mental Health & Recovery Services Board of Allen Auglaize & Hardin Counties, Auglaize County ESC and other applicable support agencies.

1. Support and expand mental health services for students:

- Provide internal guidance counseling services for students in grades K-6 and 7-12.
- Provide opportunities and resources to connect students and families with external mental health services.
- Explore opportunities to expand partnerships with service providers.

2. Continue to provide physical health services and support to students:

- Support physical wellness programming opportunities for students (BIY, Speed and Strength, Summer Camps, Extra & Co-curricular)
- Provide physical training and health aide services to students
- Explore opportunities to expand partnerships with service providers.

3. Continue to offer educational opportunities to students and staff:

- Provide students with educational assemblies focused on developing life skills.
- Support the implementation of PBIS for student in grades k-12.
- Provide staff with high quality professional development.
- Explore opportunities to expand partnerships with service providers.
