### A Long Walk

Mark and his dad started to walk along a path.

At first they saw a lot of ferns. They saw birds and a

big turtle. Mark's shirt got torn on a sharp thorn, but the

thorn did not hurt his arm. A storm started, so they ran into an old barn.

At last they got back to where the car was parked. By then it was getting dark. They had walked far! Mark and his dad had some popcorn and looked at the stars.
