

# Continuity of Services Plan

District Name:	New Bremen Schools
District Address:	901 East Monroe Street, New Bremen OH, 45869
District Contact:	Jason Schrader, Superintendent
District IRN:	045955

On February 9, 2021, Governor DeWine asked schools and districts to work with their communities and educational stakeholders to help students continue to advance academically and to make up for any learning that may have been lost or delayed due to the coronavirus pandemic and related disruptions.

**“This once-in-a-lifetime pandemic has impacted all of us, so it should be no surprise that it has impacted our children. But we should not panic, nor should we be surprised by the results of assessments,” said Governor DeWine. “Instead, we should do what Ohioans have always done when facing a challenge – stay calm, roll up our sleeves, and work to solve the problem.”**

Governor DeWine has requested that schools and districts design plans that address learning recovery and extended learning opportunities to meet the needs of students that could include, but are not limited to, extending the current school year, beginning the new year early, extending the school day or instituting summer programs, tutoring, remote options, and other remedial or supplemental activities.

Plans should address, but are not limited to, the following key components:

- **Impacted Students:** How will schools and districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations)?
- **Needs Assessment:** How will schools and districts identify the needs of those students?
- **Resources and Budget:** What resources are available to address those needs? Generally, what is the budget for the plan?
- **Approaches:** What approaches can best be deployed to address those needs? (This may include approaches such as ending the school year later than scheduled, beginning the new year early, extending the school day, summer programs, tutoring, and remote options.)
- **Partnerships:** Which local and regional partners (such as Educational Service Centers, Information Technology Centers, libraries, museums, after-school programs, or civic organizations) can schools and districts engage in supporting student needs?
- **Alignment:** How can this plan reinforce and align to other district or school plans? This may include but is not limited to Student Wellness and Success Fund plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans.

Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners including their Educational Service Center and other regional and community-based partners. Each district or school should consider a wide range of representation and voices from district and community stakeholders in planning for learning recovery and extended learning opportunities.

The governor asked schools and districts to provide their plans to the public and General Assembly no later than April 1.

**This template has been designed to assist districts in meeting and exceeding this requirement and in supporting their long-term instructional planning efforts.** Please refer to the [Planning Support Document](#) at the end of this template for guiding questions and resources.

## Identifying Academic Needs

<b>Impacted Students:</b>	<i>How will schools/districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations including but not limited to disengaged students)?</i>	
<b>Spring 2021</b>	<ul style="list-style-type: none"> <li>*Review quantitative and qualitative teacher-level data</li> <li>*Teachers complete gap analysis to identify those students who disengaged with or were adversely affected by the remote learning process</li> <li>*Administer Spring State Test</li> <li>*Identify students at risk of not being promoted to the next grade or not graduating</li> </ul>	
<b>Summer 2021</b>	<ul style="list-style-type: none"> <li>*Analyze state testing data, once received, to determine additional students who need to participate in summer school programming</li> <li>*Review data from summer school programming</li> <li>*Work with the Mercer and Auglaize County Educational Service Centers to develop high-quality approaches to extend learning and learning recovery.</li> </ul>	
<b>2021-2022</b>	<ul style="list-style-type: none"> <li>*Identify and implement diagnostic assessments in math and ELA. Should ODE make them available for the 21-22 school year, the Benchmark and Checkpoint Restart Readiness assessments could be used for this purpose.</li> <li>*Teachers will conduct a gap analysis to identify critical instructional and/or curriculum curriculum deficiencies.</li> <li>*Teachers will utilize pre/post-test to identify gaps and measure mastery.</li> <li>*The RTI team in each building will meet regularly to identify needed Tier 2 and Tier 3 interventions</li> <li>*Continue item listed in Spring 2021</li> <li>*Review attendance records and note students who may have lost instruction.</li> </ul>	

# Continuity of Services Plan

<b>2022-2023</b>	<p>*Continue to analyze state, diagnostic and vendor assessment data.</p> <p>*Reflect on, revise, and refine 2021-2022 plans</p>

## Approaches to Address Academic Gap Filling

<b>Approaches &amp; Removing/Overcoming Barriers</b>	<i>What approaches will schools/districts use to fill learning needs identified above? What steps will be taken to remove/overcome barriers that may be associated with the "Gap Filling Approaches" (transportation to tutoring, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?</i>	
<b>Spring 2021</b>	<p>*Continue existing RTI processes.</p> <p>*Provide intervention services for students that have been identified through RTI</p> <p>*Conference with students/parents at the high school level to address credit deficiencies.</p> <p>*Provide credit recovery options for at-risk high school students</p> <p>*Offer opportunities for learning recovery such as after school tutoring, interventions periods, etc.</p>	
<b>Summer 2021</b>	<p>*Provide extended school year/summer school for students identified with learning loss, academic needs, and/or credit deficiencies.</p> <p>*District leadership, along with Mercer and Auglaize County Educational Service Center, will develop professional development opportunities to assist staff in addressing learning gaps and deficiencies.</p>	
<b>2021-2022</b>	<p>*Provide intervention services for students that have been identified through RTI processes.</p> <p>*Reteach topics identified for gap analysis completed in the spring of 2021.</p> <p>*Offer opportunities for learning recovery such as after school tutoring, intervention periods, etc.</p> <p>*Provide credit recovery options for at-risk high school students.</p>
