School Announcements with OneCall Now

New Bremen Schools use a parent notification system called OneCall Now to contact all of our parents within minutes and keep you updated quickly and efficiently with messages that help keep you actively involved in your child’s education.

We utilize this system for school delays and cancellations as well as entire building or district announcements. Each family has the option of receiving calls on up to six phone numbers. Please note that if you list six phone numbers, all will be contacted when we use the system.

The most important thing parents can do is to make sure you inform the school of changes in your contact information. We must have updated phone numbers for the system to work effectively. Please complete the form below **only** if your contact information has changed from the previous school year. For this year’s kindergarten students, the contact information you provided at kindergarten screening has been updated to the system. It is only necessary for you to complete the form below if you want additional numbers contacted.

In addition to receiving calls from the school using this system, parents can easily retrieve or replay a message that was cut off from an answering machine, answered by a toddler, or received on a cellular phone that dropped the call mid-message. In order to do this:

- Call toll-free (877) 698-3261 or (866) 321-4255 from any touch-tone phone.
- At the greeting, press 1, and then enter the phone number that OneCall Now dialed. This is the phone number that you have given to the school to reach you.

**Please complete and return this form to your school office
ONLY if there is a change from the previous school year.**

Parent Notification Service Contact Numbers

IMPORTANT NOTE FOR PARENTS WITH MULTIPLE CHILDREN IN SCHOOL:

If you have more than one child in school, you must choose the same phone number(s) for each child or you will receive multiple phone calls when we use the system.
