

FAMILY VACATION REQUEST FORM - GR. K-6

Good attendance at school is paramount in a child’s successful education program. Vacation should be planned around the school year as much as possible. We realize vacation travel can be quite educational and may enhance the educational program provided the student has not missed too many days of school and is educationally able to keep up with the regular work and makeup work. The student handbook states that teachers will determine homework assignments that need to be completed and the deadline for completing the work, which may be prior to the vacation or when the student returns.

1. This form must be completed at least one week prior to the family vacation.
2. This form must be completed if your child will be absent more than two consecutive schooldays.
3. The principal may excuse one vacation request per year for up to five school days.
4. The student is responsible for all missed assignments.
5. This form must be completed for each child and turned in to the building principal for approval.
